Considered among the best in their profession, attorneys featured in *Super Lawyers* represent the top 5% of the practicing attorneys in Florida. The attorneys were selected in an extensive nomination and polling process conducted by the research team at *Super Lawyers*, which is a service of Thomson Reuters, Legal division. Each year, the research team undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by the attorney-led research staff, a peer review of candidates by practice area, and a good-standing and disciplinary check. Florida *Super Lawyers* magazine is distributed to Florida attorneys and law school libraries. It is also published as a special section in *Miami* magazine and a supplement inserted in *The Wall Street Journal*.
